### VOTE FOR BCA

We received below mail from Marius. As we informed you about the result of vote on 2/July by news, it was approved with favor 4, objection 1, and the rest was no vote. Now BCA is at start point and we hope BCA to have adjustment with BUE, especially for international events. As you know we cannot accept the expansion of WBC entry rider limit (max 20 riders per day) for one country. And also do not accept bringing any problem to the host countries of WBC or other international events. For this, we hope BCA will take time and take careful step to forward the matter. This is the request from BIU. BIU is looking forward to hearing from you about this matter.

Dear Hiro,

Votation is finished. According to BIU statutes... is the quorum enough? Is the decision clear to accept BAC as a new member/selection?

Best regards.
