

## BIU NEWS 2009 JULY

### LICENSE NUMBER

Yesterday we sent our request mails about license to Spain and France. The reason is we found wrong in the entry lists from them. About Spain, the license number was 7 figures. It has to be 8 figures. About France, the first 3 figures was not the country code as it is written below in our rules.

#### Art. 03 ENTRIES

License number has to be 3 figures for country code and 5 figures for issued number. (i.e. □□□-□□□□□). (e.g.: USA = 001 – 00001, Czech Republic = 420 – 00001, France = 033 – 00001).

For us, the license number is important to certify each rider. Before, there were always some riders had same license number and we had problems. Therefore, we hope all countries will follow the rules. And today we received new entry list from BUE with modification on the list collect. Thanks BUE! Below is the communication about it. One thing is over.

Dear Marius,

The license number of Spanish team is not 8 figures. Could you change it to 8 figures?

Sincerely yours,

Hiro

I SEND ANOTHER TIME THE ENTRY LIST FROM SPAIN. Corrected the MISTAKE OF THE No 0 GIVES SPANISH LICENSE. SENT INFORMATION OF DELEGATE MARIUS MOLLÀ. It's all correct now? I send the Register form and Waiver and Releaser form in a few days, of the all riders from spain together.
