YASUTAKA SHIBATA LEFT JAPAN

We got the information from the father of Yasutaka Shibata (Elite No. 14) that his son left Japan for Canada this morning. Yasutaka is going to take part in the first North American Biketrial Championship (Biketrial Classic) in Vancouver Canada. He is the only one participant who belongs to the international Elite in the event. It is very interesting about Shibata VS Canadian top riders and American top riders just before 2009 WBC.
