In 2010 we have the hope to realize it more big, 3-4 days, hopefully of international interest (similar koxx days).. Tower Days, serious good for the name of the village, Torredembarra -similar to tower.

The Club Costa Daurada BikeTrial Torredembarra, work very hard, this year make's 9 competitions, and for 2010 They wait to realize more events, and promotional events, and merchandising as what I enclosed you, stickers and hangers, etc. Part of the money will be destined to the organization of the WBC Also them the WBC that they expect to confirm these days.
