## **BELGIUM**

**We still have no answer to our 2010 BIU survey from our Belgium delegate Jean Michel or BBA. If he is our active delegate, we hope he will send us his report and answer as soon as possible.**

**Hello Stuart and Libor,**

**I hope you are going well. Since the problem with our delegate M. Colson, Biketrial here in Belgium looks totally death ... Personally, I hope not but we don't have any information about the federation anymore... On my side, I follow the riders and I teach them. My way to teach is to tell that they have to go to a maximum of competition and I tell them to go to UCI and BIKETRIAL as well for to become the best. With all the problem that we got here in Belgium with Biketrial federation, now it's also hard to get biketrial licence for my riders who wants to go to European and World BikeTrial Championship.**

**One is Romain Leonard:**

**He ask already to get his BikeTrial Licence to M. Colson but he still didn't get it. The president says that he must get the official paper (from you I believe) but still nothing.**

**Question:**

**What my rider must do to get his Biketrial licence as soon as possible for the next competition ?**

**Waiting for your news,**

**Best Regards,**

**Thierry**

**PS: Stuart, say hello to all your family.**

**Dear Thierry,**

**Thank you for your e-mail. I am going to contact Mr.Colson immediately to get information from him. We have delegate in Belgium. It means he is responsible for license issuing. EBU issues licenses just for riders from countries where is no delegate. The situation has to be cleared up as soon as possible. We are looking forward to get as many Belgium riders as possible at our events.**

**Keep in touch,**

**Libor**

**Dear Libor,**

**Thank you for your mail. I hope to get news soon for my riders.**

Thanks for your time,  
Thierry

Dear Thierry,

Please wait for our response. We try to get in contact with Jean-Michel and inform you ASAP.

Because EBC is coming soon I think your riders can send their application form for EBC 2011 to Swedish organizer. All necessary you can find at [www.eurobiketrial.com](http://www.eurobiketrial.com)  
Send it also in copy to Jean-Michel Colson for his approval and to my e-mail address as well.

I'll try the best to get chance to your riders to take part in our events.

Keep in touch,  
Libor Musil

Dear Libor,

The BBA still exist and is aviable for everybody who wants to have international licences and registration. The only ask we've got is mister Leonard. This week, I have him on the phone in very good terms. I have told him that soon as I got licences forms from EBU, I will complete it. I had already ask for this licences forms a long time ago and have given my postal adress to Anna today. Today again, I try to have you on the phone, without success. Can you call me on 0032475509511. It should be nice that we talk together about BBA. I am clearly in opposition with Mr Klinkenberg did write to you.

Sincerely yours,  
For BBA  
Jean-Michel COLSON
