

## **BIU NEWS 2011 OCTOBER**

### **PUSHBIKE**

Since the first event of PUSH-BIKETRIAL held in Japan in KC, 2 events were held in Spain after that. The first event was in Barcelona and the second one was in Alcañiz. Below is the report from Pere and the comment from Lior. We also received a short video. Please check the attached one.

**Push-BikeTrial of Alcañiz (Spain), 15.10.11**

The BikeTrial Bajo Aragon organized his first Push-BikeTrial ( bicycle without pedals) with a great success on the occasion of the last round towards the Spanish BikeTrial Championship. The event took place in the “ Motorland “ (International motor and car truck of Alcañiz).

The Push-BikeTrial are “ Sportive-Fests” for children from 2 to 5 years old, resulting super-happy events towards the families as well.

Attached: The results and some photos. I will send you de small video later, after I receive from the organizer).

**Hello Pere,**

**Congratulation! It is the way for our sport future. We are going to publish it at our web pages as an inspiration and a good example. I hope to have from these riders new Poussin category members.**
