#### ● ENTRY

**Only 4 days are left**

Dear Hiro

Ms. YuanYuan (Translator of China Team) told to me that the Invitation Letter was posted by France Organizer yesterday. Hope everything will be ok and China riders could go to WBC all 3 rounds. Che Xian Bin can't participated in WBC for injured ankle, please check and modify the BIU Entry List, I have got mail about Invitation Letter from Myriam CROS of UFOLEP 81 and Mr. Jean Luc Chevalier today, but my mail to them was all failed. I would like to appreciate here for the help from all WBC organizers. Mr. Giuliano helped much for the communication with France and will provide accommodation for Chinese Team in Italy round, Mr. Angle's response was very quick and also helped much for the visa matter. Thanks a lot for all effort you made, hope you have a nice trip in WBC 2012 and BIU election successful.

Best Regards  
Jason

#### ● PORTUGAL RIDER

Dear Hiro.

Yesterday we contacted with a rider from PORTUGAL, to compete in the race only Igualada R-2. In Portugal there is not delegate or anything.ç We are making with Libor license from EBU. We help and probably also with entry List

REgards

Dear Angel,

We have the delegate in Portugal as below. I gave the list to BAC and the organizer in Feb. Therefore I cannot accept to issue the license without making contact from the rider to the delegate. This should be try first. Issuing license from BIU or EBU is the last choice in the case of the delegate does not work for the rider..

PORTUGAL "Jorge Ferreira  
Biketrial Portugal" Rua Calouste De Gulbenkian N. 419. RC 4800-257  
Guimaraes - Portugal "Tel: 965 430 211  
[jorge.e.ferreira@sapo.pt](mailto:jorge.e.ferreira@sapo.pt)  
[guimaraes@bikezone.pt](mailto:guimaraes@bikezone.pt)"

Sincerely yours,  
Hiro

● GB

Dear Anthony,

Thanks for the list. Please put NO if the person do not come to the event. In case you do not atrtend all events, please put someone (Morewood?) to work for your post. This needs a letter of attorney to the meeting in each round as the UK proxy delegate.

Sincerely yours,  
Hiro
