It's OK, but, you change Invited for YES. Then how has account the invited riders? Thank's Administration BAC / BUE Dear Angel, For my side, answer is only YES or NO. INVITE is your reason. In case that you have more than 20 riders per day (except the additional capacity for less entry to the limit), you should take some riders out from the list. But you are the one to decide the riders. Sincerely yours, <u>Hiro</u> Dear Angel, Actually, as I explained you before, you should not put those riders in your first entry list. Because you do not know how many riders will make entry till I close the entry. You can put those invited riders in the case of there are capacity in the entry. If the entry is less than 150 per day, then you can put some of your national riders till the limit. I set the deadline on 28/June. You got it? But you put them already in the list. So I took IMVITED out from the list. I will inform you exact numbers that you can add to the list and you can take some riders out in the case. You should send this list before the deadline of it. Okay? Sincerely yours, <u>Hiro</u> Dear Hiro, Please wait to close EL. We are in contact today with Germany, with Mr. Rico Stoll from Scheibenberg. Giuliano	ITALY	16	99	Ax76/Cx8/Bx3

If no, I cannnot finish this work on schedule or in this week and I have to extend deadline for host countries. I cannot do it. Please understand it.

Sincerely yours, Hiro

Dear Hiro,

I think is not possible. I try but I think time is too short. I must contact this evening Mr. Rico. Mr. Rico can have to Mr. Krumbrigel (that is in Hospital) the contact with Rider. Mr. Rico must contact Rider and create EL ... too much. 24 hour from now to close all. Italy, France and Spain are OK, so you don't must work on EL next week. Otherwise Germany and Austria will be out of WBC.

Giuliano

Hello Dear Friends,

I am Giuliano from Italy, The Entry List of WBC 2012 will be close today. No riders from Germany. I write today to Mr. Hirano in Japan to ask he to wait Germany. Our German Delegate is not well in this day, he is hospitalized for surgery and maybe Riders don't have information. Unluckily no Rider from Germany. We are pity. For this reason we have the possibility to register German Rider till tomorrow. If you can, if you want compete in WBC or also only in last round of WBC in Italy the 4 and 5 August in Sonico you can write me or to Mr. Libor but only till tomorrow not over. Mr. Hiro must close Entry List in 24 hours... I hope you have the possibility to come here to compete and to meet our dear International BikeTrial "crazy" family. Your presence for us is very very important. If you don't have BIU License EBU can issue it in very short time. Please contact me very soon, and try to come in our Competition, we are on work very strong to have a perfect race.

Giuliano Gualeni

Italy

Dear Giuliano,

At the first, You are the most to understood and working very hard to get participants and the countries as the WBC organizer. I feel so much thanks to you.

It is very pity that Frank is in the hospital. I hope he will get well soon. I do not know what is happened to him, because there is no any information. I also do not know if he has been making his entry list for WBC. If he has it, He should send it for his riders to BIU. I can wait for it. I may be can find the reason for exception to extend some days to the deadline. If he has no list making till this time, it is too late. I cannot wait for it. I should close it by the rules. Any way, we should check about the reason why we have no entry from Germany for this time.

Austria, we have no delegate. Is any rider from Austria took part in EBC this year? I think if there is a rider wants to come to WBC, he can find the event information on the web siteof EBU. And can contact to EBU. If we have no any contact from Austria yet, there will be no reason to extend our deadline. We should keep our schedule. What I can do for Austria as max is wait till 23/June 9:00 AM. If you got entry, please let me know.

This is my opinion and I hope you will understand it.

Sincerely yours,

Hiro

To all,

I am hoping to get many riders from many countries for WBC. But it is the international championship and not regional event. Therfore we should organize everything under the rules and evrything must be right. We should solve all problems by our rules. If we bring feeling in it, that sure broke important thing to continue on. Our delegats knows entry rules very well and if the problem was happened, it because of his work and the delay of event information. We should change it better for the next time. That what I can say here.

Sincerely yours,

Hiro

Dear Hiro,

the Germany Rider for the WBC 2012 in Spain and Italien. Team Manager and Delegate: Jörg Treue

Sincerely yours,

Hiro

Dear Giuliano,

The entry data is not perfect. I will wait for the right data from Frank. I hope he will complete the entry today.

Sincerely yours, Hiro

Dear Hiro,

I called in Germany this morning and Mr. Libor write me and to Mr. Rico to solve this problem. Mr. Libor talked on telephone with Mr. Rico that have contact Mr. Frank. Mr. Libor think that "not perfect" data are Number of license. For this reason me and Mr. Libor asked to Mr. Rico to ask to Mr. Frank if the number is 049-01217 or maybe 049-12170. Mr. Frank answer to Mr. Rico that exact number is the following: Helbig Thomas 049-01217 Winckler Alexander 049-01218 Thank to Mr. Libor and Mr. Frank and Mr. Rico to this job. If you see other imperfection in data please write me very soon.

Thank you very much, Giuliano

Dear Giuliano,

Thanks for your all work. Please check the list.

Sincerely yours, Hiro
