Dear Hlro,

we have answer from 4 Jury members about Armand Molla in Elite Category. Italy (yes), Catalunya (yes), Slovakia (yes), Czech (yes). No answer from Japan because I don't have email of Mr. Yamamoto. 4 Yes on 5 voters. This morning Mr. Marius Molla repeat his impossibility to work on secretary job. I ask to you and to all Presidium Member to nominate myself Giuliano Gualeni to Substitute Secretary to can organize and finalize this work.

Best regards,

Giuliano

I vote for you as a Secretary Giuliano!

Dear Giuliano,

Thanks a lot! The person in the post should be a good communicator and should sign all necessary documents. Keep the schedule trough the year and notify each to all delegates. Better to have enough time to attend most of BIU events.

Sincerely yours,

Hiro

COMMENT FOR THE NEWS

Dear Hiro and all,

Good to see a lot of people discuss about many good ideas & works in BIU news, very positive! Just don't forget the scratch, Jury :) important first step. I'm happy finally BIU start to make an official website, I would prefer:

www.biu.org

or

www.biketrialunion.com.

I suggest when it's done, please update the file about biketrial on wikipedia too.

All the best!

Dear Yosnison,

unluckily the web site www.biketrial.com is not available. I am in contact with the web master of biketrial.com that is a little bit confused (they talk about Trials – UCI and use the name of our Sport) but without success. In this moment Presidium is deciding between two solution.

www.biketrialunion.com

www.biketrialinternational.com

the second one have too much votes of the first. I think we will finish to use the second one. But the name is not a big problem. The question is the important contribute of all National Delegation like you. I hope you will be ready to send us a lot of information to publish in the new web site.

Best regards,

Giuliano

Dear Giuliano,

How about www.biu.org? It's my pleasure to send any information needed, I hope we could contribute. Can't wait for BIU official website.

All the best!

RANKING 2012 AND SCRATCH

Dear Sport friends,

We should forward many things but before anything, we should finish WBC things.

(1) Scratch

It is important to have approval for the ranking of 2012 and we jury should decide the promotion to Elite in 2013 from scratch. Up to now I got answer mail from Stefan, Giuliano, Radim? I am waiting for the answer from the rest. After that, we should discuss with watching the ranking and think the possibility.

(2) Website

Thanks for forwarding it.

Sincerely yours,

Hiro

For me the ranking is OK, whit promote 4 riders to Elite.

Best regards

Josep Abant

Dear Josep,

Okay. We should take the first step before make decision about Elite promotion. I will wait for the answer from the other juries.

Sincerely yours,

Hiro

Dear Friends,

about Scratch Ranking:

Mr. Hiro remember that before close the discussion about Armand Molla (4 yes on 5 vote) we must approval the Ranking after Sonico.

Radim have write about a mistake in Femine Category.

Radim, please, write very soon about this mistake in Femine Category, so Mr. Hiro can close the Ranking.

After I think we can register the definitive and official Ranking of WBC 2012 and close the Scratch discussion.

Best regards,

Giuliano
