### SCRATCH 2012

The ranking of each class in WBC was finished finally. We are going to forward to decide how many riders to be promoted to Elite 2013.

Dear Jury R3 Final,

Here is the right Scratch ranking chart in PDF and we should decide how many riders from the ranking to be promoted to Elite for the next year.

We have already decided the top 3 to Elite. If you want to add some riders, send me your list and opinion.

Sincerely yours,

Hiro

Lead juror

#### OPINION FROM HIRO:

Armand on 4<sup>th</sup> in the ranking is a good rider. But his best place was 4<sup>th</sup> in R3. If we promote him, we should also think about Ansis, 4<sup>th</sup> and Martin 5<sup>th</sup> that they got 3<sup>rd</sup> place in Scratch this year. China is asking Xuan (he was 2010 Elite) to promote to Elite.

Hiro

Dear Hiro,

**all member of Jury and Presidium have already write about Scratch. Nothing opposition about the formal request of Armand Molla in Elite Category. All members have write with positive opinion.**

**You have copy of all email. For the next season 2013 we will have 4 new riders in Elite category (without exclude new entry from the new system 2013).**

**The 3 first from Scratch and the Junior World Champion Armand Molla.**

**I think this question is positively closed since over one week.**

**Best regards,**

**Giuliano**

**Dear Giuliano,**

**We should take the right process in our work. Started vote for Almand before we finished Scratch ranking is not in the right process. And of course we do not close it yet. However we should decide the numbers to promote to Elite from Scratch for 2013 should follow the way we have been doing. I think it is normal.**

**Sincerely yours,**

**Hiro**
