Last weekend in April, 28th-29th, Valderrobres will hold the opening round of the European Biketrial Cup. The best riders in the world will take part in this competition. A unique setting for the event, Matarraña County, a small region at Teruel province in Aragon. A region known as the Spanish Tuscany due to its Mediterranean landscapes and its historical, stone, charming villages.

Matarraña Trial Club has an extensive experience in organizing sport events. We don't intend only to organize the biketrial competition. But also, on Saturday afternoon, a welcoming and the Biketrial Festival Show will also take place at the medieval village of Valderrobres including:

- Up-steps contest
- Long jump contest
- Balance contest (under 12)
- Mini dual speed contest

(Views presentation where we will test and Biketrial Festival show)
