

Dear Everyone,

Today I received the agreement with signature from Josep for Catalonia round.  
So now Catalonia and Czech are sure to host WBC in 2013.

Millions thanks to Josep and Radim in this time we know such difficult moment  
of economy in the world.

The rest is China . Hope Jason will find the solution for WBC or find an  
opportunity for WMC.

I will prepare the invoice and send it on next Monday.

Sincerely yours,

Hiro
