

BIU NEWS 2013 MAY

WBC

REQUEST FROM JASON:

Dear Hiro

Would you send this mail to 2013 WBC host delegates, and ask them send 2013 WBC agenda, Schedule, Poster and Logo?

I need the files in English.

Thanks.

Best Regards

Jason

It is very pity that I receive below mail from China.

Dear Hiro

Thanks for the BIU news.

I haven't got 2013 WBC details yet.

Time is limit, hope could catch the time.

Best Regards

Jason

2 months have passed from the deadline of sending the information but still they are not arrived yet.

I need the right explanation about the delay of sending it from the host countries.

Dear Hiro,

It is perfect. In Blansko is all ready for you (accommodation - Holtel Panorama, food, car with personal driver) I will pick up you at the Prague airport. Is it double room for you OK? In Blansko is for you all paid. You pay only your flight.

About Agenda: I'm sorry, but I think that sending Agenda and all documents by mail in these modern times is too expensive. Everything will be on BIU website, Czech website (www.biketrial.cz) and I will send all delegates e-mail.

Have a nice day

Radim

Dear Radim,

Okay, I will book my flight and when I complete it, I will inform it to you.

Thanks for your support for my visit Czech for WBC.

I will try my best to support the event for success.

About event information sending by post, I know it costs. But it is normal and most cost of the event is advertisement.

Then It is not the matter to discuss in this moment just less than 2 months before the WBC open.

Our delegates are not only in European countries and they are not in the

same situation. We need to collect much more countries and riders.

The all international events should try it with maximum effort.

If we got less participants for WBC 2013 than the last year, who is going to take the responsibility?

Me? You? The organizer? General Secretary? Or the presidium?

It must be made sure.

The awarding of WBC final ranking 2013, I have been preparing it for many years but this year I will ask General Secretary to order the medals and the champion jersey for each category through Biketrial Spain.

The material will be brought to Czech.

Sincerely yours,

Hiro

Dear Giuliano,

It is the time to make medals and jersey for WBC 2013. Please make order for medals (top 3 in each category) and champion jersey (only the champion in each category except Scratch, Nation and Constructor). Please contact to Rafa (Biketrial Spain) same as Josep, it is very difficult to communicate for me. And then I will pay the cost in Czech.

Sincerely yours,

Hiro

I feel thanks for the great support for my WBC trip in Czech. I still do not get any answer from Catalonia for almost 3 weeks. I am very worried about this long silence. This must not be happened to the host country of WBC. As I know, it is the worst communication in ever. I do not understand what is the purpose to make this event? Any way I cannot decide to come to

Catalonia and this will be my last approach.

THE DEADLINE OF ENTRY FOR WBC:

All delegates must complete the entry before the deadline (19/June)(one week more for the host countries). It will be closed strictly on the closing day and there will be no extension.

Sincerely yours,

Hiro
